

Penn State supporter from Ohio!

November 10, 2011

Even though I am a Buckeye through and through, Penn State is very close to my heart after my great experience in working with their chapter of Circle K International last year.

Not only did I attend a 12-hour service marathon with their club in the fall semester, but I came in the spring as well for THON – the largest philanthropy event in the world that fights childhood cancer!

Keep on, Penn Stater's as you do SO MUCH good for the state of Pennsylvania, the Big 10 and the world. Hang tough.

Y'all still ARE,
A Buckeye Fan & Penn State Supporter!
