

## We Are..Many Lights

November 12, 2011

As a full time world campus graduate student who has a full time job, I have heard about the PSU scandal from every media outlet in the tri-state area. It seems the students have to pay for the sins of the few. But, I say to you hold your heads high. We Are greater than the sins of any one person. We Are the difference and light in this world. We Are heartbroken for the victims. We Are standing tall for the victims. We Are One powerful voice. We Are A voice to the world on behalf of the victims. We Are All United.

May no act of ours bring shame.
