

Support Wall for the Families and Children of the Second Mile

November 17, 2011

Stop by the front of **Old Main** today from **10am – 5pm** to add your name to a support wall for the families and children of the Second Mile. The purpose of this event is to show these families and children that the PSU community supports them and is committed to taking positive steps forward to making sure that child abuse doesn't ever happen again. You will have the opportunity to sign a hand print and add it to the wall. This is an effort put forth by the Penn State [Engineering Ambassadors](#) to show the heart of the PSU community. It would mean a lot to us if you could come out, please join us!
