

Live Stream of the Student Forum

November 30, 2011

~~The Live Stream will begin promptly at 6:00pm and continue throughout the duration of the event. If for some reason the feed cuts out, click to go to the [UStream Page](#).~~

The Live Stream is now completed. We cannot thank all the students in attendance enough; hopefully it provided you with answers to questions you had. If not, we encourage you to reach out to not just the Administrators in attendance, but any other administrator at Penn State.
