

Reminder: Joe Paterno Birthday Card Project

December 14, 2011

UPDATE: Be sure to check out & join the [Facebook Event page](#).

With exactly one week until Joe's birthday, be sure to go buy him a happy birthday card and send it his way.

The Penn State Alumni association – Baltimore Chapter has suggested sending Joe Paterno cards for his birthday. However, what makes this project unique is that they want to send a Beaver Stadium worth of cards to him, totaling over 109,000.

Here is what their website has to say about the project:
