

## Reader Submission: Possible Ways to Honor Joe Pa

January 23, 2012

I am an alumnus, who like most alumni, is forever indebted to Penn State and to Joe Paterno for all that they have taught and instilled upon me. My hope is to open a dialogue between alumni, fans, and friends of the University and Joe Paterno to discuss possible ways to honor his legacy. I recently came across a petition to rename the grass field of Beaver Stadium to Paterno Field. Please visit <http://www.paternofield.com/> for more information.

Cheers, TS
