

## Show Penn State Pride

August 1, 2012

Criminals should be punished, not entire universities. The majority of my family and my friends have all attended Penn State, and I love and respect each and every one of them. Jerry Sandusky and every person that protected him in any way should spend the rest of their days in prison. But I am extremely proud of the way I have conducted my life, of the strong friendships I've made and maintained through my college, and the conduct and contribution of the vast majority of the people that have attended my alma matter. WE ARE!!!!

My company – [www.Givegab.com](http://www.Givegab.com) – is designed to empower volunteers and show their impact on their local communities. Penn State is the best philanthropic university in the world. Let's join together and let everyone see the fruits of our passion for our neighbors – where we live.
